Headmaster's Address......

Labor omnia vincit.....

This has been one of the busiest years that I can recall in Saltus and a huge amount has been achieved by all members of the Saltus Family. We are hugely proud of the granting of accreditation by the Canadian Educational Standards Institute for it marks the culmination of three years of extremely hard work. Saltus now enjoys the status of a sustaining member of the Institute. The entire process and the commentary given by the visiting committee offer a wonderful sense of direction for the future and provide a clear set of goals for the next academic year.

The School is now quieter for the students have left us for the long summer break. Many of those whose faces we see in the yearbook will return, of course; still others will leave Saltus to attend schools elsewhere or to begin anew at college or university in North America or in the United Kingdom. We wish them all wel and look forward to learning of their progress and their news.

In an age dominated by electronic opportunities for community such as Facebook or Youtube, a book suc as this may seem to be of somewhat limited value. I believe, however, that while the electronic opportunit may be immediate and refreshing in its brevity, a substantial record such as this is something which offers it own pleasures and which it will continue to offer in the years to come. There will be a time, I am certai when even the most jaded member of our school community will enjoy the opportunity to take down this boo and read and reflect on the vibrant and diverse activity which is the defining feature of our school.

Thank you to you all for a year well spent and good luck for the future.

N.J.G. Kermode
Headmaster

From the Deputy Headmaster's Desk....

uring my long association with the school, the academic year 2007-08 has ndoubtedly been one of the busiest yet, equally, one of the most satisfying. The ccreditation process undertaken by the Canadian Educational Standards Institute was the culmination of some three years of critical self-evaluation which included articipation from all of the various constituencies of the school: Board, dministration, faculty, staff, students, parents and alumni. It was naturally a very worthwhile exercise in itself since it required us to examine, and occasionally even to e-examine, all that we do and the Visiting CESI Committee commented upon the eports clarity, accuracy, frankness and thoroughness. The Committee noted that it aw nothing during its four days of intensive review, which included conversations with each of the groups mentioned above, that had not been addressed in the self-valuation and, in the CESI press release granting accreditation to Saltus in June 2008, the following observations were made:

Saltus Grammar School is a remarkable place. In the past two decades, the school as transformed itself from the elite, white boys school on the hill, to a vibrant, racially nd culturally diverse co-educational institution that states boldly nd accurately that it believes that every student is an individual with unique needs, capabilities, and desires.

Saltus is clearly dedicated to meeting the varied needs of the students within its care. It is committed to increasing and supporting he diversity of its student population, while still maintaining a focus on academic achievement and traditional grammar school values. Members of the Saltus community are rightly proud of both their rich history and tradition, and the innovative academic programmes hat characterize the contemporary school.

As any student would appreciate, it is always gratifying to know that your hard work has reaped its due reward and that you have eceived a passing grade. Yet, just as we attempt to instill in our students that they should never be satisfied with simply doing enough o get by, so we too should always seek to be the best that we can. The CESI motto is Making Good Schools Better and by ngaging in the CESI review and accreditation process, Saltus has shown that it wishes to measure itself against a rigorous set of tandards and to continue upon the journey of continuous improvement. The CESI recommendations which have come out of the eview will provide a framework within which to work, but the commitment to improvement must come, and be sustained, from within ince, in todays fast-changing educational environment and at a time of rising costs and fees, any school that does not recognize the eed to improve will undoubtedly face the prospect of difficult times. The pages of this yearbook will only serve to confirm that we lready have much to be proud of and that we therefore have a firm foundation upon which to build as we seek to move forward

Malcolm Durrant
July 2008.

3T

It has been another rewarding year for the music department. The various ensembles have performed throughout the year. Wind band has been a delightful addition to several assemblies in the Upper Primary Department. The S5&6 Choir performed on the steps of City Hall for World Aids Day. The S3&4 Choir performed for the annual Tree Lighting Ceremony at City Hall near the end of November. The J5&6 Choir paid our annual visit to Windsor Place. The S 3&4 Choir also performed at Windsor Place. Much to our surprise the keyboard left Windsor Place early and the 3&4 Choir sang a capella. This wasnt a planned part of the performance, but it just shows how keen our students are to perform as it didnt bother them a bit!! In the midst of all of this activity the junior school also presented Scrooge. Calum Maule, Sam Trott and Cameron Turnbull all sang solos for the production. The Wind Band were pleased to participate in Carols For All. This has become a senior school event, but quite a few students from both the upper primary and senior departments play in Wind Band. This event was enjoyed by all. The Wind Band performed in the Upper Primary Assembly in December. Much to the delight of the students, Nicholas Barton and Alex Fox actually played on garbage cans for the performance!!!

The Three Department Concert was once again a success. Due to poor weather it was rescheduled from a Friday evening to the Monday evening. The Wind Band, S5&6Choir, S3&4 Choir and the Orchestra represented the Upper Primary Department. The S5&6 Choir performed The Painless Opera and took great delight in donning chef hats to sing the song Pizza. The S3&4 Choir sang Seven Silly Songs and had great fun in doing movements for each song. It should be noted that they helped to plan the movements in rehearsals. They also performed the song Little Brown Bugs which we thought was appropriate for a concert in the park!!

The S5&6 Recorder Club played A Hawaiian Roller Coaster from Lilo and Stitch, Yo Ho- A Pirates Life For Me and The Medallion Calls from Pirates for the Prep. 2 visit to the Upper Primary Department. Upper Primary students sang Thank You Parents for the parent volunteers. The year 6s did an end of the year concert for their parents. This was combined with their leaving ceremony. They performed class pieces using recorders, xylophones, percussion instruments and also did some singing. Several students performed solo pieces on the piano, clarinet, flute and violin. Several girls also got together to sing and to dance. Despite the extreme heat in the hall, the students did a fantastic job. The Junior Orchestra were kept busy until the last day as they did a great job playing for prize day. As usual it has been a busy year for the music department but definitely well worth the effort. With the continued support of the staff, parents and students a love for music will continue to flourish at the Upper Primary Department.

TEAM PHOTOGRAPHS

In the PE department, we strive to create the opportunity for all students to have some measure of success, no matter how big or small, Everyone a Winner. There have been many successes throughout the year, which could also be named A Year of Firsts, but without doubt this year should be known as the year of the history making, Famous Five.
Over the years the cross-country teams have excelled, with most of the teams finishing in the top three in their group. This year was no exception, with all four teams finishing in the top three. However, the under nine boys team put in an exceptional performance, with all eight runners finishing in the top 26 out of 150 runners. Amazingly, history was made when the first five runners across the line were all wearing the red and white of Saltus. Ever since, the boys have been called The Famous Five.

Other firsts or championships were also achieved during the year.
The Swimming Team, claimed back the Primary Schools Swimming Trophy at the Warwick Pool in October.
This was followed by winning the Front Street Mile trophy in January, for the school gaining the most points. Eight girls and five boys made the finals.
In the Summer Term, the boys under nine relay team were victorious at the BSSF Track and Field finals, for the first time in a number of years.
The Summer term finished with yet another success when the boys were victorious in the Primary Schools Boys Softball Championships, and amazingly in the following week the Coed team also reached the finals and proudly wore a second set of medals for first place.

A Summary of Results.

Boys Soccer team: Played 4 won 1, drew 2 and lost 1. Finished third in the league.

Girls Soccer Team: 2nd. Place. The girls team reached the finals of the 7-a-side tournament, and lost by just one goal to BHS.

Swimming Team: Boys 2nd, girls 2nd, Combined points: 1st.

Netball: The netball team played very well in the knockout touirnament.

Front Street Mile. !st place team on points.

Girls results: 6th Alice Moniz, 10th Quinnae Outerbridge, 11th Jada Simons, 14th Sophie Moniz, 15th Nicole Amaral, 16th Kristin Steede, 19th Piper Hamill, and 20th Kathryn OConnor.

Boys results: 4th Jonas Schroder, 5th Adam Hall, 8th Lachlan Cash, 14th Charlie Keyes and 15th Daniel Oatley.

Hockey Tournament: Boys Team. A-team reached the tournament semi-final.

B-team were undefeated and placed first. The girls tournament was postponed.

Primary Schools Cross Country Championships:

Under 9 Girls 3rd: Savannah Loder 17th, Abigail Exon 21st.

Under 9 boys 1st : Lachlan Cash 1st, Adam Hall 2nd, Charlie Keyes 3rd, Lyon Hamill 4th, Zachary Shaw 5th, Christopher Ricca 12th, Tanner Boyle 23rd, James Sayers 26th.

Over 9 girls 2nd: Alice Moniz 5th, Jada Simons 6th, Quinnae outerbridge 20th, Sophie Moniz 22nd.

Over 9 boys 3rd: Sam Wehmeyer 5th, Jonas Schroder 11th, Courtland Boyle 24.

Primary Schools Track and Field Finals: 5 girls, and 9 boys qualified for the finals.

Notable results; Jada Simons placed 1st 400m, 2nd 800m, 5th 200m.Quinnae outerbridge 3rd 800m.Danielle Foote 3rd cricket ball throw. Jonas Schroder 2nd. Randy Benjamin Memorial mile.

Adam Hall 1st 400m, 1s t800m, 1st cricket ball throw. Adam won Champion boy award for the under 9 age group .Under 9 relay team1st.(Adam Hall, Nathan Trott, Zhai Jennings and Tanner Boyle)

Cricket Team: No league played. Two matches played.

Defeated Warwick Academy 82 runs to 62 runs.

Lost to Paget Primary 63 runs to 93 runs.

Softball Tournament :

Boys team: placed 1st. Defeated Somersfield Academy in the finals 15 to 7 (played 4 won 4).

Coed Team: placed 1st. Defeated Somersfield Academy 9 to 7. (played 4, won 4).

GENERAL KNOWLEDGE

UP LAST PAGE

Mrs Robin Siggins leaves Saltus this year after 13yrs service to spend more time with her family. We would like to thank her for the many contributions she has made to school during that time and her tireless efforts on behalf of the many students she has taught. We wish her well and hope that we will continue to benefit from her expertise in the future.

CLASS MOTHERS

There are many who help the school throughout the year, and the Upper Primary Department would like to thank you all.
Due to digital photography there are an increasing number of contributors to the pictures you see in this section and I would like to thank them for their expertise. I would especially like to thank Cynthia Barnes for her archival material without which much would pass unrecorded.

Debate

This past year has been a busy one for the various Saltus Debate Teams. Not only did Saltus enter three high school level teams in the Bermuda Junior Service Leagues National Debate Tournament in November but we also entered two middle school teams. Saltus also competed in the National Debate Societys Senior Debaters Spring Tournament, where we came very close to placing for final but narrowly missed out to Cedarbridge and BHS.

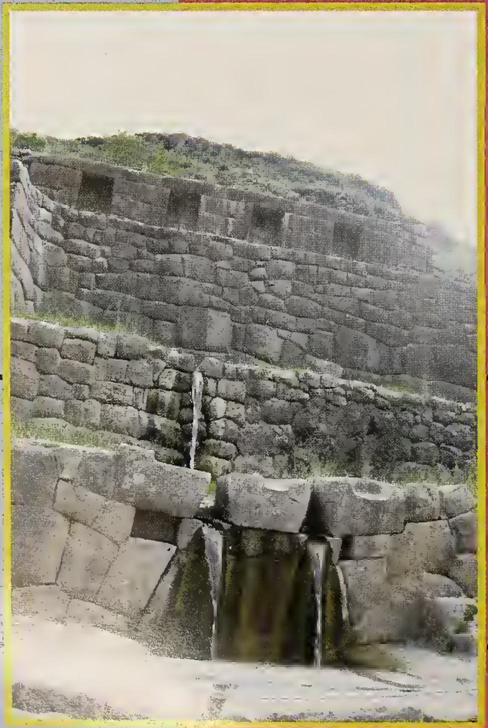
The school also entered two senior teams in the internationally acclaimed tournament, the Independent International Schools Public Speaking Competition, which was held this past year in Reading UK. Both Nicholas Rinehimer and Jessica Zuiker placed on top speaker lists for their events.

The Debate Club is also proud to acknowledge the amazing achievements of Adam Kiki Charles (captain) and Blake Sonnenfeld who both represented Bermuda in the Worlds Schools Debate Championships in Seoul, South Korea in July 2007. Blake also represented Bermuda in a debating capacity as a member of Team Bermuda when they travelled to Peru for the Pan American Debating Championships. Saltus current head boy, Nicholas Rinehimer and one of our prefects, Jacari Brimmer Landy won spaces for the team which represented Bermuda in Washington D.C. in 2008 for the 20th annual WSDC. All in all the past academic year has been a very busy and fulfilling one.

Members of the Saltus Debate Club:
Nicholas Rinehimer, Rebecca Dickson, Eoin Mc Mahol, Blake Sonnenfeld, Jacari Brimmer-Landy, Scott Robbins, Sharon Bean, Jasmine Cooke, Meshaelle Payne, Nicholas Bergquist, Mitchell Campbell, Kii Small, Miles Cave, Zindziswa Swan, Jordan Rowse, Jessica Zuiker, Aaron Logie, Kacee Morton-Simons, Christina Smith, Holly Roque, Ade Brown, Jordan Robbins, Oliver Riihiluoma, Chaz Basden, Gianni Nesbitt.

Peru 2007

Climbing Machu Picchu, visiting street markets and sampling Peruvian cuisine were some of the highlights for 17 S7 to S10 students who spent a week in Peru. highlights included a guided tour of Machu Picchu and the Sacred Valley of the Inca, and exploring the Pisac Market and Ollantaytambo fortress. They also visited the city of Cuzco and archaeological sites in the area.



"I really enjoyed Peru. The people were so sweet and the environment was really different to what I'm used to."

Peru 2007

"I loved going to all the different markets and negotiating prices. I was a little suprised when people came up to the windows of the bus and tried to sell us stuff, even though the bus was driving away!"

"Cuzco was really hot in the daytime, but freezing ar night! The Poverty was shocking -it really makes you appreciate living in Bermuda. The artisan products were very interesting My favourite were the inca staues with spears."

Student Repesentetives

An organization run by the students; for the students, with teacher supervisor Mrs. Millar le her expertise where necessary to keep things m Over the course of the school year they have ra money through Rag Week for the Save the Chi Foundation donating $2,300 specifically to hel victims of the Earthquake in China and the Figh Life Foundation in honor of Lori Mello. The Pres of Student Council are Nicholas Rinehimer and Johnston, who took over the reigns from Rebec Dickson after she graduated June 2008.

ROGUE TRADERS

For the first 6 months of 2008, a number of Saltus students have been involved in the KPMG Investment Challenge. Investment teams were required to select a minimum of 10 stocks from around the world, using at total of $50,000.

Each team were allowed to trade as much or as little as they wanted. Saltus entered two teams into the competition. Saltus Team 2 were the successful winners of this third KPMG Investment Challenge, beating 11 other teams to the major prize of $10,000.

The team was the only one to make a profit from the starting $50,000, finishing with an impressive total of $61,453. The big winners for the team proved to be Canadian Coal mines, including Grande Cache Coal Corp and Western Canadian Coal Corp. The other Saltus team, The Rogue Traders, finished in 8th position.

Each participant in the competition received $200 from the major prize.

GRAMMAR SCHOOL

Saltus Island Project

The Saltus Island Project goes from strength to strength. Last year we gratefully received a $5000 grant from the Department of the Environment which will ensure the projects success in future years. Last year we planted more trees than ever before with many S9 students sponsoring their own tree. And it's not just trees! At the end of the school year two longtail igloos were installed on the island, we look forward to seeing native birds nesting soon.

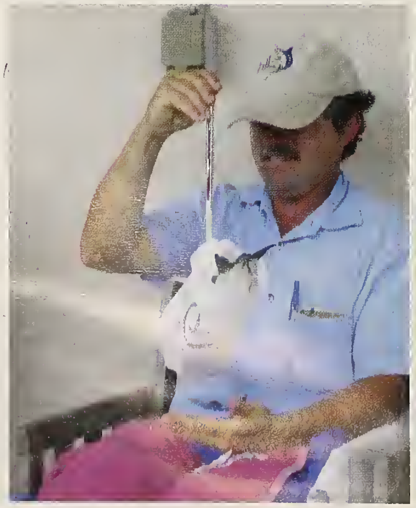
Strange Creatures

Remember this?

The SGY 1 Environmental Sciences class had the opportunity to visit Paget Marsh and Nonsuch Island during the school year. At Paget Marsh, the class walked through and learned about a few of Bermudas varied and unique habitats. They also learned about invasive species and helped clear an invasive water plant from the pond in the marsh.

Environmental Science Trips to Nonsuch and Paget Marsh



Nonsuch is designated as a Living Museum, and students were able to experience what Bermuda was like before people colonized the island. Students were also able to watch Dr. Jeremy Madeiros weigh and feed Cahow chicks. This was a rare opportunity for all of us because it was the last year that Dr. Madeiros would have such a hands-on approach with the birds.

FUN IN THE SUN...

SHARK CLUB

Senior teacher Steven Masters has organised the Shark Club, made up of a group of his art students who have shown an interest in marine biology. Studentst have learned the basics of fishing boat maintenance, operation and navigation. They prepared for voyages on "Lady Gambler" to research sharks alongside biologists involved in the Bermuda Shark Project.

The project is conducting an assessment of Bermuda's warm-water tiger sharks, which are subject to current pressures on the world's shark populations due to over-fishing. By tagging and tracking tiger sharks, we may also find they are adjusting their migration patterns to adapt to global temperature changes in the ocean.

Tiger Sharks at Challenger Bank (about 12 miles southwest of Bermuda)

A Message From The Advisor

You have spent the last year creating memories. We have spent the last eight months trying to put together a yearbook so you never forget them.

It is our hope that 10 years from now, when you open your yearbook, it will evoke the memories you have made during your time at Saltus and put a smile on your face.

We hope that this book will remind you of all the great friends you have made and the fun times that you had together. The grub days, sports days, plays, concerts, and the everyday hustle and bustle of a very busy school.

Of course this book could not have been made without the tireless work of the Yearbook Editors and staff. I personally would like to thank Peter LePage and Amanda Petty for their time and considerable effort into making this book look as great as it does. I also want to thank the Senior Department yearbook staff: Daltonel Minors, Richard Tucker, Chloe Minors, Francesca Cacace, Kevin Simmons, Kortney Edwards, Leticia Bernardo and Palee Womack. Without all of you this would not be possible, so Thank You! Finally, a special thanks to Cynthia Barnes for all the photos that she has taken throughout the year, without which most of this book could not have been produced!

So cheers to another year! Cheers to all the memories you have made, and cheers to all the memories you have yet to create! Good luck in the future and may you always remember your time here at Saltus.

Sincerely,

Fiona Murdoch
Yearbook Advisor
